

13 EC Declaration of Conformity

on the basis of a voluntary test in accordance with Annex VIII of the Directive 94/9/EC of the council for equipment and protective systems intended for use in areas with potentially explosive atmospheres.

Product: ACAC-1800BTU H Ex Proof
Model: 8700002
Marking:  II 3G Ex nA IIA T5 Gc
Approval: EPS 11 ATEX 1 401 X
Manufacturer: INHECO Industrial Heating and Cooling GmbH
82152 Martinsried
Germany

The product mentioned above fulfils the basic requirements of the Directive

2014/34/EU ATEX Directive
2014/35/EU Low Voltage Directive

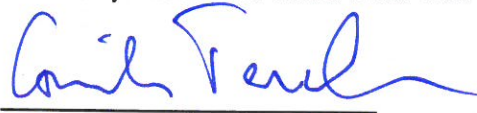

and conforms to the following standards

EN 600079-0:2012 + A11:2013 Potentially explosive atmospheres - part 0: General requirements for equipment

EN 600079-15:2010 Potentially explosive atmospheres - part 15: Equipment protection by ignition "n"

The product named is intended for incorporation into other equipment. Operation is permitted only once the end product has satisfied the requirements of the Directives listed above.

This statement does not warrant any characteristics regarding product liability. The safety instructions stated in the User Manual must be adhered to.
